Dairy producers have been relying on our expertise for years.

We proudly carry the DeLaval line of milking equipment and can handle your milking needs no matter what your herd size. In addition to DeLaval, we also carry other products that can aid you in maintaining and improving your herd.

Chem-Star boasts several excellent chemicals and among their most recent releases are Code Green, Barrier 710, Barrier 112, and Recover. If you are looking for results, these products can help.

We carry and stock several models of the Ritchie line of watering equipment. The familiar red and yellow design has proven itself as reliable and affordable.

Looking for tough? Real-tuff, Big Valley, and Powder River are proven performers in chutes, panels and gates.

Some of our other products include Van Beek Scientific, home of the Jalapeno Pepper Pills, Schaefer Fans, Gallagher, and we also carry replacement parts for Universal.

Our staff is here for you. If you have a need for any of our products or services, please give us a call. We're happy to help.
